to Government godowns, including loading at the Railway Station and unloading and stacking them in the godowns or loading them into lorries. (*b*) Measuring the grains in the godowns re-bagging them into bags of uniform measurement of 90 seers each, stitching the bags with thread, etc., to be supplied by the tenderer and re-stacking them in their proper places.

The number of bags to be handled is approximately 40,000 during a period of four months from 15th May 1946 at Kadur and 15,000 at Tarikere for the same period. This number is not guaranteed. The duration of the contract may also be extended at the discretion of the undersigned.

Separate tenders should be given for (*a*) and (*b*) respectively and the tenderer should mention the rate for each bag and the rate per mile for each bag when carting has to be done.

Each tender should be superscribed appropriately and should be accompanied by a cash deposit of Rs. 50.

The undersigned does not bind himself to accept any or the lowest tender.

The undersigned reserves for himself the right to cancel, without assigning any reasons, the contract at any time after the tender is accepted and the contractor is doing the work and the contractor shall not have any right for any damage or loss that he may suffer thereby.

Ordinarily the contract is not liable to be cancelled if the work is properly done to the satisfaction of the undersigned.

The successful tenderer shall deposit a further sum of Rs. 150 as earnest money for the satisfactory and successful execution of the contract and execute an agreement in the form to be prescribed by the undersigned.

Deposits made by unsuccessful tenderers will be returned.
